Hostel Facilities at Bhattadev University

Bhattadev University offers hostel facilities for its female students, ensuring a safe and comfortable living environment. The university currently runs two girls' hostels that cater to the housing needs of its boarders. These hostels are crucial in supporting students who come from distant places, providing them with convenient and affordable accommodation during their academic years.

Hostel Overview

- **Hostel 1 (28-seat capacity)**: This hostel is designed to accommodate a smaller number of students, making it ideal for students seeking a quieter, more intimate living environment.
- **Hostel 2 (72-seat capacity)**: The second hostel offers more space and is equipped to house a larger number of students, making it suitable for those who prefer more social interaction and a larger community living setting.

Total Capacity and Occupancy

- The total capacity of the two hostels is **100 seats** (28 in Hostel 1 and 72 in Hostel 2).
- Currently, there are **96 boarders** staying at the girls' hostels of Bhattadev University, which indicates that the hostels are nearly full, with only four seats left unoccupied. This high occupancy rate reflects the strong demand for hostel accommodation at the university.

Facilities Provided

- **Room Amenities**: Both hostels are equipped with essential facilities such as beds, study tables, chairs, and storage space for each boarder. Common areas are maintained for relaxation and interaction.
- **Security**: The hostels are equipped with security measures to ensure the safety and well-being of all students. This includes 24/7 security personnel and surveillance systems.
- **Catering**: A mess service provides three meals a day, offering nutritious and balanced meals to the residents.
- **Laundry Services**: Laundry facilities are available to ensure students have easy access to clean clothes during their stay.
- **Recreational Areas**: Common rooms with entertainment options and outdoor spaces allow students to relax and engage in social activities.
