

## **Documentary presentation by Skill Enhancement Course students of the History Department**

30<sup>th</sup> October, 2024: A documentary presentation programme was conducted for the students of UG 3rd Semester of the Skill Enhancement Course of the History Department of Bhattadev University, Bajali on 29<sup>th</sup> October, 2024, by the department of History and Tourism & Travel Management. The presentation programme was aimed at fostering knowledge, improving the skills related to content writing and editing, and enhancing the understanding of nearby tourist destinations of Bajali, Barpeta, and Baksa districts. It was an impressive display of in-depth research and creativity of the students. The six documentaries presented by six groups of students which took months of dedication and hard work, offered a fresh and insightful perspective on tackling important issues such as environmental conservation, History and more importantly, tourism-related issues. Each group of students displayed excellent storytelling techniques. The documentaries also included interviews with community leaders or other individuals relevant to the topic. In the Documentary Presentation Programme all the faculties of History and TTM attended along with the students of the History department.
