

## 'NEP 2020 and New Trends in Teacher Education'

A lecture programme on 'NEP 2020 and New Trends in Teacher Education' is held on 26th November in the conference hall of Bhattadev University to sensitize students towards Teacher Education. The Programme was organised by the Dept. of Education in collaboration with IQAC, Bhattadev University, Bajali. Dr. Dibyajyoti Mahanta, chairman, ERC, NCTE was invited as Chief guest. He highlighted the changes brought by NEP 2020 especially in the field of Teacher Education. In his lecture Dr. Mahanta has emphasised on importance of ITEP. (Integrated Teacher Education Programme) for students especially those who want to choose teaching as a profession. The Hon'ble vice-Chancellor of Bhattadev University also spoke about the drawbacks of our existing education system. He referred to 'NEP 2020' as a student centric educational policy adopted by the Govt. of India. In the programme, many faculties and students from the various departments of the University were also present.
