Bhattadev University and NIELIT Guwahati Launch Collaborative Summer Internship Programme

Pathsalā, 1st July: Bhattadev University, in a significant collaboration with the National Institute of Electronics and Information Technology (NIELIT), Guwahati, has commenced a one-month Summer Internship Programme. The program, designed to equip students with essential technical skills, runs from June 25th to July 25th, 2025.

The inaugural ceremony, held on June 25th, was graced by Professor Dhanapati Deka, Vice-Chancellor of Bhattadev University, who underscored the importance of practical learning and industry-academia partnerships. Mr. Subrata Bora, Senior Technical Officer from NIELIT, was also present and elaborated on the core objectives and benefits of this joint initiative.

The session featured insightful addresses from key university officials, including Prof. Manjit Das, Registrar; Dr. Parag Barman, Associate Dean of Humanities and Social Sciences; and Prof. Gautam Kalita, Dean of Natural and Mathematical Sciences. Their contributions highlighted the university's commitment to fostering skills of the students.

The comprehensive internship curriculum includes hands-on learning modules in Python Programming and Basic Computer Skills. These modules are meticulously designed to build fundamental technical competencies crucial for today's digital landscape. This internship program has been coordinated by Dr. Keshab Nath, HoD (i/c), Department of Computer Science and Engineering and a total of 115 students have registered for this program.
