**PRESS RELEASE**

**Blood Donation Camp cum Awareness Programme in Bhattadev University to observe Menstrual Hygiene Day**

**Pathsala, 28<sup>th</sup> May:** The Women Cell, Bhattadev University in collaboration with Bhattadev University Students' Union and in association with Fakhruddin Ali Ahmed Medical College and Hospital, Barpeta organized a Blood Donation Camp and Awareness Programme on Healthy Lifestyle in the university campus on Menstrual Hygiene Day on 28th May, 2025. The program was formally inaugurated by Professor Dhanapati Deka, Vice Chancellor of Bhattadev University, who lit the ceremonial lamp and delivered an inspiring message emphasizing the role of such initiatives in fostering equality. The event was also graced by Professor Manjit Das, Registrar of Bhattadev University. Dr. Dulumani Deka, President, Women Cell cum Associate Professor, Bhattadev University welcomed the medical staff from FAAMCH and all other teaching/non-teaching and student participants. The Secretary of the Women Cell cum Assistant Professor, Bhattadev University, Dr. Nabanita Baruah addressed the objectives of the programme by highlighting the significance of the day, the need to break the silence on certain societal taboos or stigma and the step towards blood donation. Prof. (Dr.) Ramen Talukder, Principal, FAAMCH delivered his speech on the mechanisms of Healthy Lifestyle and the benefits of blood donation while Dr. Gabyanjali Devi, Medical Officer of the team spoke on hygienic aspects and the rationality behind celebration of Menstrual Hygiene Day. In the Blood Donation Camp, 62 persons participated while 38 could go for blood donation from which 6 are female donors.
