Bhattadev University observes World Environment Day

Pathsalā, 5th June: Bhattadev University organized a Tree Plantation Drive at its newly constructed Medhikuchi campus on the occasion of World Environment Day 2025.

The event was inaugurated by the Honourable Vice Chancellor, Prof. Dhanapati Deka, who planted the first sapling and highlighted the importance of ecological responsibility in his address. A total of 100 saplings of various tree species were planted by NSS volunteers, students, and faculty members, promoting biodiversity and environmental awareness. “Bhattadev University commits for environmental conservation and sustainable development”, said Prof. Deka.
